*We would like to hear about your ethically questionable experiences with officials or employees of the City of Santa Clarita.*

**Questionable Ethics Report Form**

**This form is available online at [www.scvEthics.com](http://www.scvEthics.com)**

Questionable behavior does not have to rise to the level of illegality, but it should have made you question the ethics of a Santa Clarita representative.

Our goal is not to embarrass the city or seek retribution for past bad acts, but rather to shed some light on the need for the City of Santa Clarita to implement an ethics policy that provides specificity, accountability and independent review. This is absolutely needed to help restore confidence in our local government.

We will not publicly use your name, phone number, or email unless we have received permission to do so in writing.

If you would like to raise a concern, but feel that your employment might be put at risk, or you have some other compelling reason to remain anonymous, please create a "Anonymous Name" that can be used to identify you. Please understand that incidents reported by individuals using anonymous names will be more difficult to investigate and substantiate, so please make sure to give enough details for us to pursue the complaint.

Please be as brief as possible, but make sure to give enough detailed information to fully explain the situation.

If you have questions, please feel free to give me a call. Bruce McFarland 661.297.1999
